iIMPORTANT UPDATE

Our Admission Policy that applies to those submitting an Application Form for 2027/2028 has been updated during the current period within which applications are being accepted due to the correction of a technical error relating to the administration of school places through the PPOD system.

All applications for the academic year 2027/2028 will be processed based on the **updated** Admission Policy, available on the school website and from the school office. Please be assured that **NO APPLICANT WILL BE PREJUDICED BY THE CHANGE**. This is irrespective of whether the Application Form was submitted before or after the change; once it is submitted during the time stated for same in the Admission Notice.

Specifically, **the selection criteria that the school applies when considering applications in the event of oversubscription has NOT changed in this updated Admission Policy and neither have the grounds of refusal to the school.**

If you have already submitted a completed Application Form during the current application window, it **DOES NOT NEED TO BE RESUBMITTED**.

For further information or if you have any questions, please do not hesitate to contact us.

As always, thank you for considering attending Gaelcholáiste Chéitinn.
